Adjunct Faculty Resume

About Us

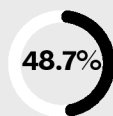

We are teachers at BCC though we are not hired by the school on a full time basis.

We are 100% dedicated to ensuring our students succeed at school and in life.

Adjunct Faculty

The majority of BCC teachers are part-time **adjunct faculty**.

We earn less than half of what our full-time colleagues earn per credit hour.

We have no promise of future work, no benefits, and cannot live on our BCC income.
